

ATTENTION

CHANGES TO THE GOMONROVIA SERVICE AREA

BEGINNING APRIL 1

LA County has opted out of participating in the GoMonrovia program. Beginning April 1, the unincorporated areas will be removed from the GoMonrovia service area.

When requesting your Lyft, please be sure that your ride begins and ends within the service area to make sure you receive the discounted price.

If you have any questions, please contact LA County at (626) 458-3964.

TIP: When requesting a Lyft, be sure to look for the blue banner that confirms the GOMONROVIA promo code has been applied and you are receiving the discounted rate.
