City of Monrovia Gang Injunction

*Frequently Asked
Questions*

Gang Injunction

The City of Monrovia is committed to providing the safest environment possible for our community members. In an effort to maintain a safe and healthy community, the Monrovia Police Department has been charged with the enforcement of a city-wide gang injunction.

A gang injunction is a court order issued from civil court aimed at a criminal street gang designed to eliminate the public nuisance caused by the gang and its members in a designated "safety zone."

On December 18, 2009, the Court issued an injunction against the criminal street gangs of Monrovia Nuevo Varrio and the Duroc Crips, which will be enforced in the safety zone bordered on the north by Foothill Boulevard, on the west by Mayflower Avenue, on the east by Mountain Avenue, and on the south by Duarte Road.

Having been identified as a public nuisance because of their criminal and nuisance activities, members of the Monrovia Nuevo Varrio and the Duroc Crips gangs, or affiliates and/or associates acting for the benefit of the gang, are prohibited from certain activities upon service of the gang injunction order.
