Placement of approximately 5,770 linear feet of K-Rail
Will be placed in street abutting curb face
Either on one side or both, dependent on location
No driveways will be blocked
Property owners are responsible for diversion in front of their driveways
Fire Hydrants will be modified to allow access
No parking zones will be created as a result of the project
Area C
Overall Map of Area
Examples of Mitigation Work
United States Postal Service, Athens Services and the Gas Company have been notified and have prepared alternate plans to continue service to the neighborhoods. Estimated to be completed in two weeks. No parking signs to be installed as K-Rail is placed.
## Costs for Install
